Forthcoming Auction

Nestled in a highly sought-after neighbourhood and on a large 651sqm (approx) block, this charming family home offers a blend of comfort and convenience, and is located just a short walk from Brandon Park Primary School and Wheelers Hill Secondary College. With the 848 bus stop around the corner and easy access to the Monash Freeway, Wheelers Hill Shopping Village, plus multiple parks and sporting fields, this home is positioned for an easy suburban lifestyle. The property features a traditional brick veneer facade with a very wide frontage of approximately 27.6 meters, complemented by a lush, expansive front lawn and easy-maintenance border gardens. The north-facing orientation ensures ample natural light throughout the home, enhancing its warm and welcoming atmosphere. Off-street parking is provided by a concrete driveway and a covered double tandem carport
