\$390,000 - \$415,000

This sophisticated town home offers the fortunate buyer a lifestyle of convenience without compromising quality. The tri-level home boasts ground level lounge, fully equipped kitchen incorporating dining and family room, two bedrooms and main bathroom. Features include stone bench tops, direct entry to the single, remote garage and split system heating/cooling. A balcony is the perfect space to sit and take in the pretty street scape and well established trees. Located with an easy walk to shopping precinct, schooling and public transport makes for a convenient lifestyle. This affordable property will appeal to buyers entering the market for the first time, those looking to downsize and avid investors alike.
