Just listed is this cozy, three-bedroom home in a popular location close to schools, shops, and much more. The large two-way lounge room boasts large windows that allow natural light to pour into the room and flow through to the combined dining and functional kitchen space. All three bedrooms are of good size, two featuring built-in wardrobes, and share the recently painted bathroom with both tub and shower. The separate internal laundry can be found just off the dining area and provides access to the backyard. The low-maintenance, fully-fenced backyard is perfect for pets and children to play in. Additionally, the property features a double lock-up garage with plenty of storage room and parking also available on the driveway. A perfectly located large home like this won't last long, so don't miss out, enquire today! Pets will be considered upon application.
