Experience the ultimate in style and comfort in this beautifully renovated 3-bedroom home. Nestled in a peaceful cul de sac, you'll appreciate the privacy and tranquillity of this location. The new custom-built Hamptons style kitchen is a true showstopper, with Caesar stone benchtops and a filtered water system. Cooking will be a breeze with new appliances and gas cooking, and there's plenty of space with lots of power points. The bathroom has been completely updated with a bath and shower, and there's even a second toilet. You'll appreciate the easy clean flooring throughout the home. Completing the home is a study and laundry. Enjoy the luxury of a swimming pool, solar power, and an instant hot water service. Keep cool with 2 split air conditioners. This is the perfect place to call home!
