This prime Botany residence presents an excellent opportunity for a savvy buyer eager to reimagine a well-located property. Boasting a sought-after north-to-rear aspect, the original home features a spacious yard, open-plan living, a sunroom, and attic storage. Strategically positioned just 200 meters from the Botany Road shopping precinct, it offers both convenience and potential. With scope for redesign (STCA), this property provides a blank canvas in a highly desirable market, making it a compelling prospect for those looking to enter or invest in highly sought after Botany district. + Interiors ripe for a contemporary transformation + Generously sized level backyard + Combined living and dining zones with an additional sunroom + Good sized gas kitchen + Two spacious bedrooms, one with built-in robe + Internal laundry with additional w/c + Bright bathroom with floor to ceiling tiles and bathtub + Well located to both Botany Road shops and Westfield Eastgardens + Moments from Botany Golf Course and Booralee Park
