Immaculate both inside and out is this brick veneer and tile cottage sitting on the high side of the street. Featuring large lounge room with wood fire and gas heating. Awesome kitchen with 40mm stone bench tops and all the mod cons. Adjoining dining with AC opening onto covered outdoor entertaining area. Three bedrooms all with built-in robing 3 way bathroom and laundry. Single drive through garage along with separate 3x6 colourbond shed/workshop. All set on a very manageable fully fenced yard. You will be seriously impressed upon your inspection.
