This gorgeous gable home is the perfect blend of old and new. It has been beautifully renovated while maintaining its old-world charm with original features including polished wood floors, vertical joint walls, plantation shutters and casement windows. You will love the sleek new kitchen, with a convectional microwave & oven, a stone benchtop and induction cooktop. The bathroom is also freshly refurbished and the home has been upgraded so the oversized master bedroom includes a walk-in-robe and ensuite. Meticulously finished, the upstairs of this home optimises space and liveability, with a welcoming sunroom at the front. Meanwhile, you'll find so much room for storage on the ground level. The fully fenced backyard is a childhood dream, with a level grass area and gorgeous play equipment. Off-street parking includes a double carport to the side of the home and side access. 16 Barambah Street is in a fantastic location and is the picture-perfect example of Wandal living.
