FRESHLY LISTED!

****FIRST INSPECTION SATURDAY, 3/2/2024**** Proudly presented by Edward Lim... Let's dive right in, brace yourselves for an extraordinary family haven that's as rare as catching a unicorn in the wild. Welcome to the enchanting 16 Beesley Street, where luxury meets architectural marvel in a symphony of modern industrial vibes, recycled bricks, and sleek black metals throughout. This isn't just a house; it's a palace of pure magnificence, a near new single-storey dream spanning 361m² of opulence. Imagine 4 bedrooms, 3 bathrooms, and a theatre room, all set on a sprawling 767m² block that commands attention in the neighbourhood. Picture this, as you stroll through the oversized front door, you're greeted by a grand entrance hall boasting high ceilings and premium European Oak flooring. Three spacious bedrooms beckon, adorned with built-in robes, including a guest suite fit for royalty with its own ensuite. Venture further, and you'll find an open-plan living, dining, and family area designed to leave you breathless. Direct access to the trendy alfresco area makes entertaining a breeze, and the sunken theatre lounge, with its recycled bricks feature wall, sets the stage for epic family movie nights, think Hollywood glamour right in your own home! Get set for the piece de resistance, behold the chef's island kitchen, a true masterpiece! Featuring stone benchtops with cascading waterfall sides, soft-close cabinetry, top-tier appliances, and a breakfast bar for five, this kitchen is a culinary sanctuary where luxury knows no bounds. But hold on, there's more, a seamlessly integrated scullery for effortless food prep to elevate your daily chores to a new level of sophistication. There is also direct access to your second courtyard. Nice right?! A massive glass slider unveils a sunlit courtyard, pouring natural light into the living area. This seamlessly extends to a low-maintenance undercover outdoor entertaining space that overlooks the fully fenced, spacious, and well-established backyard. It's the ideal spot to unwind, indulge in a good read, or simply kick back and soak up the afternoon sunshine. For those with little ones, envision the space as a playground for trampolines or an above-ground pool, promising endless summer fun. The outdoor realm is your blank canvas for boundless adventures! The master bedroom is strategically positioned at the rear of the home. Not only does it offer a captivating view of the backyard, but it also ensures extra privacy by being away from the other three bedrooms. Step inside, and you'll discover a room adorned with a vast walk-in-robe and a lavish ensuite bathroom boasting his and hers vanities, rain showers, custom cabinetry, and even a built-in toilet. No need to fret about staying cosy throughout the seasons, the ducted reverse cycle air ensures year-round comfort. And parking? A breeze, thanks to the double lock-up garage with a shopper's entrance through the laundry and mudroom. Luxury, convenience, and comfort, all seamlessly woven into the fabric of your new home! Let's talk location, and trust me, it's a jackpot! Nestled along a serene, tree-lined street, you're not just close but practically a stone's throw away from the bustling and vibrant Albany Highway cafe and restaurant strip. And the perks don't stop there, imagine being in close proximity to Perth CBD, Curtin University, and the serene Swan River. Everything you could possibly need is within walking distance, making daily life a delightful stroll.
