You can enjoy both stylish living and all the features you need to live well in this up-to-the-minute home. Seamless polished concrete flooring, sumptuous fittings including copper style tap ware and co-ordinated cabinetry throughout. The open plan kitchen features an induction cooktop, dishwasher and has the space to allow you flexibility in your positioning of furniture. The living area features a nordic style slow combustion fire, high ceilings with abundant natural light and opens onto the heated front entertaining deck through sliding doors. Super cost efficient heat pump hot water system, an outdoor sauna and shower complete the luxurious lifestyle this home affords. Suitable pets considered, but please be aware the grounds are unfenced. Available approx. 31st January. Viewing by appointment. Prospective tenants are encouraged to apply online via the realestate.com advertisement.
