For Sale

Designed to captivate the imagination of entertaining, this impressively scaled residence captures outstanding easterly vistas across the Pacific Ocean, adjoining a nature reserve. Unassuming from the street, the moment you enter the pivot front door, you immerse yourself in the sheer space and size of this multi-level home. A recent renovation has seen the home modernized with chevron flooring throughout the upstairs area with two spacious living zones, all created to maximise the elevated vantage point of magnificent views. The entertainers island kitchen is crisp white with integrated fridges and dishwasher drawers, overlooking the main living area at the rear of the home with bi-fold doors opening onto the viewing deck. A brand new master suite has been created at the rear of the home, spacious and king size to enjoy the views offering a custom-fitted walk in dressing room and brand new dual vanity hotel style ensuite. There is room for the whole family, with the ability to simply live on the first level, with a further two bedrooms on the entry level. One of the bedrooms features its own ensuite, the ideal haven for guests, while the third bedroom is located down the hall with a brand new bathroom and a laundry room that leads to the garage. It isn't until you make your way downstairs that you truly appreciate the scale and nature of this family home. A large spacious family room integrates with the wet bar, separating the games and billiard room that opens onto the in-ground, indoor pool with swim jets and water feature. Perfectly positioned for year round entertainment and enjoyment. If the idea of two enormous living areas downstairs isn't quite enough, there is also a multi-tiered seating theatre room with electric reclining seats, projector and surround sound. There are a further three bedrooms downstairs, again another ensuited bedroom and a fifth family bathroom. There is a store room and a cellar located downstairs also as well as a home study or sewing room. The sheer scale and size of this home alongside the clever design to entertain, this home is like no other! Capturing incredible vistas of the Pacific Ocean, located at the end of an escarpment cul-de-sac, this home is the definition of entertaining in style. No expense has been spared in the recent remodel of the home upstairs, giving buyers a desirable floorplan that maximises the incredible views!
