Offering two 3-bedroom units in a convenient Alstonville location, residential investment opportunities like these are hard to come by. Both units feature spacious bedrooms with built-in-robies, separate lounge and dining areas, three-way bathrooms and oversized single car garages. Fully fenced, North-facing yards for kids and pets to enjoy add the icing on the cake for this attractive package. Unit 1 is currently tenanted by long term tenants while Unit 2 is vacant, so you can move straight in, add your own touches or advertise for a new tenant straight away. For rental returns and further information, or to arrange your inspection of this fantastic property, contact Troy and Jack from Elders Alstonville now!
