This spacious four bedroom, two bathroom home is perfect for families searching for a home with plenty of room to grow. The main bedroom features its own ensuite and walk in robe, while the open plan living area and separate media room provide ample space for you to relax and unwind. The kitchen features stone bench tops and freestanding oven with gas cooking. You'll love the ducted air conditioning, which keeps the whole family comfortable year-round, and the internal access to the double garage makes life convenient and easy. The home is set on 666 square meters of level land with a desirable north-facing aspect, making it perfect for alfresco entertaining all year round. Don't miss out on this fantastic opportunity - this family home is waiting for you to move in and start creating lasting memories. Come see it for yourself today!
