Occupying a privileged position with rare waterfront views and adjacent parklands, this timeless residence offers an unrivalled lifestyle of modern family living. Stately in design and exclusive in location, a versatile floorplan offers considered light-filled accommodation for families with multiple living areas, indoor/outdoor entertainment, sweeping bay views and pristine manicured gardens with appealing northerly orientation. Bespoke ground floor accommodations include a grand master suite with walk-in robe, luxurious ensuite, and French doors opening to the alfresco area. At the front of the residence, the well-designed and versatile formal living and dining room boasts unobstructed views to Jawbone Marine Sanctuary and an open fireplace. The grandeur continues with a spacious entertainer's kitchen, dining, and living room opening directly onto the alfresco patio surrounded by lush greenery and terracotta paved tiling. Add to this, a study, family sized laundry, and guest powder room. Upstairs, discover three bedrooms each with their own built-in robes and balconies, and a separate study/sitting area to enjoy the views. The central bathroom offers a large bath with separate powder room. Add to this, split system heating and cooling, timber parquet floors, under stair storage and easy off-street parking via secure tandem garage. With unrivalled views across the water from multiple rooms, slow down and embrace the peace and tranquillity of bayside living with parkland walking and cycling trails right on your doorstep, moments from Jawbone Reserve and Williamstown High School, plus transport, cafes, shops & the iconic Williamstown Beach all just moments away. Not often does an opportunity like this come along, sure to impress and certainly not to be missed!
