In a quiet one-way street with the best of Northcote at your fingertips, this freestanding Victorian on a wider-than-usual block delivers a lifestyle of immediate comfort along with outstanding options to extend in the future (STCA). Beyond the gorgeous facade, discover a previously expanded interior boasting two genuinely large bedrooms both serviced by an updated central bathroom and separate WC. Filled with natural light, the open-design living/meals area is adjoined by a neat kitchen complete with Bosch oven and LG dishwasher. Other highlights of the home include split-system heating/cooling, towering ceilings (front rooms), European laundry and linen storeroom. Double doors open out to an undercover deck and sunny backyard highlighting the block's impressive width, plus the added advantage of a front off-street parking space. High Street trams around the corner along with an endless array of cafes and restaurants to explore, it's also walking distance to shops, supermarkets and the open spaces of All Nations Park, as well as easy access to Croxton Station and a range of schools.
