Classic cottage style 3 bedroom dwelling in a great residential area, and close walk to the CBD. The home is on a flat contoured block of land that would suit an elderly couple who are not ready for a unit, or first home buyer, and also a young family. The home has a really cosy atmosphere with a free-standing wood heater. This is a beautiful warm home that catches the sun all day. The rear entrance is a covered sheltered area to sit and relax on a sunny day. New flooring has been laid in the front entry and living room of the home. There is plenty of room to build a shed or garage.
