This older style three-bedroom home is situated on a generous block with a wide frontage of approximately 17.3 meters. The location is premium being only a short distance to bus route, schools and local amenities and short drive to Campbelltown CBD. Double gated side access to large rear yard is suitable for potential granny flat construction. The huge free-standing double lock up garage/workshop would suit tradesperson or handyman. Situated in a popular street where multiple knock-down re-builds are occurring presents a golden opportunity to purchase a property that is ripe for renovation or redevelopment.
