Discover the epitome of family living in this meticulously designed East Landsdale residence, where form seamlessly meets function. This premium home, sprawled across a generous 480sqm block, is tailored to accommodate every stage of family life. A short stroll away from the enchanting parklands, this dwelling provides a serene escape, embodying the coveted Landsdale lifestyle. Step into a grand entrance unveiling an intelligent floorplan that effortlessly divides the space into functional zones. The double width hall leads to a central living area, while a spacious theatre room offers a retreat with optimal privacy. Additionally there is a separate study/office or 5th bedroom. The heart of the home, the kitchen, boasts stainless steel appliances, expansive stone benchtops, and a breakfast bar—creating an inviting space to entertain family and friends. The well considered layout extends to the minor bedrooms, each generously proportioned. Outside, an alfresco seamlessly connects to the expansive backyard, providing ample space for children to play and the potential for a future pool. This residence doesn't just offer a home; it presents an opportunity to embrace the highly sought-after Landsdale lifestyle. With its intelligent design, high-quality finishes, and a massive outdoor entertaining area, this wonderful property is a haven for families seeking the perfect blend of luxury and comfort to call home. Don't miss your chance & schedule the home open into your diary.
