Set in a quiet cup-de-sac this beautiful refreshing home is well designed with bright open living spaces combined with stunning outdoor entertaining preceded by a calm and inviting exterior surrounded by lush greenery and relaxing outlook. The centrepiece of the home is a free-flowing lounge & dining domain connected to a secluded east-alfresco deck with spa on one side, and on the other, a casual north-facing deck, ideal for entertaining, flowing out onto landscaped lawns. The optics are incredible, with freely circulating natural light and bi-fold doors connecting the inside and out. Centrally placed for functionality the kitchen is joined by an adjacent meals area alongside a full-sized laundry that offers additional storage. Accommodation includes three bedrooms with BIR serviced by a family bathroom. Exceptionally positioned between Gerry Green & Walter Galt reserves with such a choice of local schools only steps from the door. The property offers the added advantage of proximity to a range of local shops, restaurants, public transport, bayside beaches and Southland SC.
