This enchanting Edwardian home offers the right combination of character, location and opportunity. Set in a desirable pocket backing onto Robinson Reserve and within walking distance to Sydney Road cafes, restaurants, trams, Coburg Station and local primary schools. The home offers charm and character throughout, while giving you the option to move in or renovate. Comprising a wide hallway, high ceiling and large rooms which adds to the allure of this period home. The floor plan offers three bedrooms, living room, kitchen meals with updated kitchen, updated bathroom, and a separate living space with fourth bedroom. Additional features include split system, ROW access and a generous size block of land. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
