This compact home is well maintained and offers unobstructed rural views. In recent years the home has had a new kitchen, split system air conditioner, been painted inside and out. The main bedroom has a built in wardrobe. From the front veranda the view is lovely. A large garage also houses the laundry. A good sized block the property also has a lawn shed. This property would be ideal for the first home buyer or those looking to downsize to a smaller property. Phone Megan on 0400 653 446 to arrange an inspection.
