From every perspective, there are plenty of impressive upsides to this inviting blonde-brick beauty, which delivers an enticing opportunity to secure a brilliant start in a family-friendly neighbourhood. Beyond the generous frontage of a 541m2 allotment (approx.), timber floors and beautiful natural light are welcome highlights in the spacious lounge-dining that sweeps around to a pristine kitchen overlooking the meals area. Sliding doors ensure easy access to an expansive decked entertainment area covered for year-round use. With plenty of space for cooking, lounging, and dining, it anchors a private rear yard, gated and fenced for peace of mind with the kids and their pets. Complementing the indoor-outdoor spaces are three robed bedrooms that share the spotless family bathroom. Ducted heating and cooling, NBN connection, a generously proportioned laundry, double garage with fitted shelving and gated access to the rear yard for secure trailer parking all add to the appeal. An exciting foundation from which to enjoy, live, and grow, it is a short stroll to the open spaces of Greswell Reserve and the bus, an easy walk to schools for all ages, and into the heart of Watsonia and its station, dining, café, and entertainment options.***PHOTO ID REQUIRED AT OPEN FOR INSPECTIONS***
