Offering families the chance to take up residence in a popular yet peaceful Doncaster pocket, this family focused home not only offers space and style, but room to improve, develop or extend (STCA). Set upon a spacious suburban block, entry to the property is via an open front yard and warming north facing porch before you step inside to polished timber floors and a light-filled family room with French door access to the outdoors. A semi-formal lounge and dining area provides yet another place to convene with family and friends, before you head through to the impressive formal kitchen with quality timber benches, stainless steel appliances and an abundance of storage. Four bedrooms provide ample accommodation, 2 have robes, the master has its own en-suite, and all have proximity to the modern main bathroom with shower, separate bath and exquisite floor-to-ceiling tiles. A blank backyard canvas will excite those with visions of an extension, re-development or the construction of a private entertaining precinct (STCA), connecting cleverly to a tandem double carport and single garage. In a home ready to loved and lived in now, gas ducted heating, evaporative cooling and additional off-street parking are just some of the inclusions. Within walking distance to the Koonung Creek Reserve and Trail, close to Macedon Plaza and Westfield Doncaster Shoppingtown, as well as enjoying great connection to High St, Manningham Rd, Doncaster Rd, Tram Rd and the Melbourne CBD via the Eastern Freeway.
