Tastefully renovated throughout this three bedroom family home is ideally located just a short walk to Gowrie Street primary school, GV Health, the CBD and the Goulburn River, the home is ready to move straight into with a large lounge room, games room, formal dining area, quality fixtures and fittings have been used and there is an abundance of natural light throughout through the large windows. There's an updated and well laid out kitchen with a breakfast bar, electric cooking and loads of bench space, two modernised bathrooms, high ceilings as well as built in robes and ceiling fans to all bedrooms. Split system heating & cooling as well as ducted gas heating keep the home comfortable year round. Outside on the 664 m² block there's a carport, an extra long single car lock up garage/workshop, a garden shed, and low maintenance established gardens front and rear with a great sized fully fenced rear yard. This beautifully presented home will suit professionals, first home buyers or would make for a great investment property. Ring today as it won't last long so your early inspection is invited.
