With beautifully proportioned interiors, soaring ceilings and ample natural light throughout this brand new Hamptons inspired home is prominently set at the top end of a desirable parkside cul-de-sac. Set over two levels, this impressive home features a choice of living spaces, luxurious master retreat and a versatile floorplan with options for separate living or office studio. A wide hallway creates a welcoming first impression with a flow through layout ideally suited to family living and a landscaped child-friendly grassed yard. The four bedrooms are well proportioned and include built in robes, the main an ensuite and another with sunny North facing balcony. Oversized main bathroom with double vanity and freestanding bath. The kitchen overlooks the spacious living room and enjoys stainless steel appliances including dishwasher, loads of bench space and a desirable walk in pantry. Large living area leading out onto the tiled undercover entertaining area overlooking the level grassed yard. Ducted air conditioning throughout. Ample storage. Tandem automatic garage with internal access.
