\$528,749

A character home with brand new renovations throughout. This residence is a quality example of classic style and contemporary additions, beautifully detailed for a home of elegance and personality. With separate living/retreat spaces and surrounded by tropical gardens, it over delivers on space for its ultra-central position on the cusp of the CBD. • City fringe position, fully renovated, excellent cross ventilation • Brand new kitchen w/ ample bench & storage space • Traditional features, casement windows, wooden louvres, french doors • New roof, restored & polished timber floors, high ceilings • Repainted inside and out • AC split systems, LED lighting t/out • Generous master bedroom w/ robes + ensuite • Two additional bedrooms w/ built ins • New main bathroom w/ tub • Open living/dining space • Enclosed front verandah, botanical lounge area • Established tropical gardens, irrigation • Fully fenced, secure off street parking + carport for small car • Close to Weststate Private Hospital • Walking distance to the city, stadium & public transport
