This home has a fun and interesting design which brings in lots of sunshine and breezes, and turns this house in to a beautiful home anyone can enjoy. You can also walk to the waterfront and explore extensive bikeways. Downstairs encompasses an open plan surrounded by plenty of windows Kitchen/dining flows to an outdoor entertaining area Fabulous kitchen - sooo much bench space and storage, walk in pantry, induction cook top, wall oven & dishwasher Main bedroom has views to the garden plus walk in robe and stylish ensuite The outdoor area will be a favourite spot for sure - look out to tranquil gardens and enjoy relaxing breezes all year round. There's even pull down blinds and a spot for the TV if you really want to chill out. Additional 3 bedrooms upstairs - all very generous in size and have ceiling fans and plenty of wardrobe space One of the bedrooms even has access to it's own personal balcony - perfect for parents retreat or some quality time out Central main bathroom and separate toilet facilities A study nook will also come in handy Even the double garage has style to it - epoxy flooring, lots of storage to hide all your bits and bobs and an additional toilet and wash basin! Immaculate gardens - garden shed Two street access - double gates provide easy access for a van or boat Room to install pool and shed if required All this only a hop, skip and jump to the Esplanade waterfront and bikeways Short trip to all major shopping and amenities A beautiful home set to impress - arrange your inspection with Maurice TODAY!
