Wide-verandaed, well-appointed and wonderfully accommodating, this beachside beauty is so much more than just a pretty face! Unfolding beyond a period-perfect façade with five bedrooms, two bathrooms and multiple living zones, this accommodating home fits a big busy family in al fresco-focused style. Stepping back beyond a classic fire-warmed formal lounge with an entertaining kitchen casual (or dining) zone, this expansive entertainer steps back to relaxed family lounge ...and out to a vast high-gabled al fresco area – with room to entertain all-year round and space to let the kids play in every season. There's even a spot to escape when the party's done with a sun-bathed lounge-sized retreat for the master bedroom – perfect to work, play and find perfect parental peace. Coolly coastal by design with skylit stone-finished kitchen at the heart of the home and slick white bathrooms with sleek frameless screening, this centrally heated and cooled home offers even more outdoors - with broad lawns for pets and kids front and rear, and plentiful parking including a carport and a deep two-car garage! Less than 500m to the bay, 8 blocks to the station, and a stroll to the shopping strip, this indoor-outdoor entertainer even has a pretty perfect location; with St Louis de Montfort's Primary School at the end of the street, Aspendale Primary School around the corner, and tasty new cafes all around!
