Treat your family to a life of comfort and convenience, with this heartwarming weatherboard charmer in the leafy Tintern precinct. Park your boat, caravan or trailer, unpack your furniture, then unwind or entertain whilst admiring the beautiful rose-lined gardens. Accentuated by high ceilings and sash windows, the home's traditional floorplan offers two separate zones for relaxing and dining, complemented by a skylight-lit kitchen with stainless steel appliances and lavish amounts of timber cupboard storage. Stepping outside, a large covered deck enables effortless year-round entertaining, with a lovely outlook over the big backyard with three vegetable growing beds, a wood shelter and two sheds. For night-time rest, there are three bedrooms, and for remote work or learning, there is a handy study area with shelving. A family bathroom and two toilets service the rooms. Further features that complement the home include a full-size laundry, an open fireplace, gas wall heater, two split system air conditioners, linen press storage, a 14-panel solar system, a double carport with gated backyard access plus handy side parking for a work or leisure vehicle. Placed for a sensational lifestyle, the property is within a short walk to Ringwood East Train Station and Shopping Village, parks, trails, community and recreational facilities, Eastwood Primary School, zoned Ringwood Secondary College and Tintern Grammar. It is also only a short commute to Eastland and EastLink for a seamless connection to the city or bay.
