First time offering this very well-maintained beautiful family home full of charm and in a great location. Enter and be pleasantly surprised with all that the home has to offer. Three large bedrooms, all with build in robes, a very spacious lounge room and an even more spacious kitchen dining area with gas cooking appliances & dishwasher to be installed. Central bathroom with separate shower & spa bath, powder room and a very well-equipped laundry. Not forgetting heating & cooling, ceiling fans throughout the home, alarm, low maintenance backyard and a very generous single remote-control garage to complete this beautiful picture. You will be impressed and not disappointed.
