Engaging with its striking street appeal, this bright, fresh home rests high-side from the road combining an excellent address in the Cherrybrook Technology High School catchment with an outstanding family focused floorplan. The 509.7sqm block is easy care yet offers plenty of space for the kids to play with a private and level backyard. The well-designed floorplan delivers living over a predominately single level, freshly painted and carpeted to give it a very welcoming ambience. Both formal and informal living and dining rooms allow for families to separate or congregate with a generous modern kitchen at its heart. The master takes its own wing with a walk-in robe and ensuite whilst three further bedrooms rest together. Downstairs is a double lock up garage plus vast amounts of storage and a workbench. Life is made easy with bus services at the door, schools within walking distance and shops, the station and Castle Towers in easy reach.
