AUCTION, Contact Agent

This freestanding home built in the early 1950's has remarkably never previously been offered for sale and presents outstanding scope on a wide-fronted block of approx. 1,220sqm in a prime Hunters Hill location. The home is perfectly comfortable now and can be readily occupied whilst considering renovations or plans to re-build in the future (STCA). With prestigious St Joseph's College at the top of the street and shops along both Pittwater and Gladesville Roads less than 10mins away, it provides a superb opportunity in a convenient setting.- Level ramp access from the street and a northeast pergola on entry- Open living and dining areas, family room and spacious gas kitchen- Three bedrooms, two featuring built-in robes, bathroom includes bath- Expansive backyard with original garage/storage and a side garden- Walk-in underhouse workshop/storage, room for parking off the street- Proximity to village life, cafes, shops, parklands and city transport- Within 500m of St Joseph's College and Villa Maria Catholic Primary
