\$1,025,000

Place your stamp of style on this classic family home, invest in comfort or consider the options to rebuild or redevelop and make the most of its 998sqm approx. allotment only paces from Dandenong Creek Trail (STCA). Ideal for the growing or multi-generational family, the home's flexible design delivers the benefits of three robed ground floor bedrooms including a master bedroom with walk-in-robe and ensuite, accompanied by a family bathroom with toilet plus a separate 3rd toilet. Upstairs, the 4th bedroom/retreat encompasses the entire level and relishes northerly sunshine, built-in-robos plus its own ensuite. Catering for everyday living, the formal lounge room reflects the home's classic appeal and flows through to a dining zone and kitchen equipped with an upright oven/gas stove, while the family room spills out onto the patio and backyard. Superbly equipped with a laundry, ducted heating, evaporative cooling, generous garden storage plus a side driveway leading to a double carport and double garage. Well placed near Marlborough Primary, Heathmont College, Dandenong Creek Trail, Juniper Reserve, buses, Knox Private Hospital, Westfield Knox, Eastland Shopping Centre plus EastLink.
