This Family Home is in the sought-after area of Kingston, the thoughtful design caters to a variety of family lifestyles as there's multiple living areas, a spacious open plan design and outdoor entertaining. The upper level of the home boasts multiple living areas, including open plan living, a separate lounge or theatre room and the impressive open kitchen featuring quality appliances, an island breakfast bar and a large walk-in pantry. Flowing seamlessly from the open living area through glass sliding doors is the spacious entertaining deck, perfect for those summer BBQ'S. The four bedrooms enjoy the privacy of the hallway and convenience of the family bathroom. Two of the bedrooms benefit from built in robes and the master bedroom has its own walk in robe and private ensuite. Downstairs you'll find the third bathroom and the garage offering convenient internal access and plenty of room for a rumpus, home gym or the perfect teenage retreat. This home continues to give not only on the inside but out with low maintenance, easy to care for gardens and plenty of off street parking. The quiet sunny located home, with quality fittings, ample storage and only 15 minutes from the CBD is bound to impress. Do not miss out on this one as it won't last long!
