Here is a great opportunity to purchase this unique property offering so much opportunity to renovate or rebuild in the future. Set within walking distance to Westfield shopping centre and Hornsby train station is this spacious family home which will tick all the boxes. The home which is set on 1024m² of land features 4 large bedrooms (3 with built-ins) and a study with its own entrance. The main bedroom has an en-suite and there is a 3 way main bathroom which is perfect for the children. Catching the sun at the front of the house you have a huge entertaining deck with district views and inside, separate lounge, dining room and study/sun room. The open plan Oregon kitchen with granite benchtops flows to an amazing family room with open fireplace, timber beams on the ceiling and plenty of windows to allow natural light to pour in, all year round comfort there is fully ducted reverse cycle air conditioning. Out the back there is a private entertaining courtyard, some level garden which is great for children and pets plus a built-in cubby house for the explorers in the family. There is also an outside toilet which is great when you have parties and bbq. Under the house there is a large workshop/man cave or potential studio and a separate double lock up garage.
