Five Bedroom Elegance in Prized Pocket

In a beautifully spacious, light filled environment, leadlight windows, high ceilings and period open fire places adorn formal sitting and dining rooms before expansive open plan family zones with woodstove spill out to alfresco entertaining and a leafy garden. Overlooking these spaces sits a family cook's dream; a large granite kitchen with high performance appliances, expansive preparation surfaces, extensive storage and an adjoining laundry/ butler's pantry. Five bedrooms are perfectly arranged for family harmony with a downstairs main and four additional bedrooms placed upstairs with media zone and family bathroom. Also features a study, excellent storage, ducted and split heating/cooling, secure outdoor storage and double carport. Rarely does one property offer such fine family credentials as this charming Bungalow in this prized family pocket near highly regarded Glen Huntly Primary School, Kilvington Grammar, Lord Reserve, Ormond Village shops, cafes and train station.
