\$650 per week

This lovely Victorian home retains classic features in its front four principal rooms then hands over to the modern era out back with a smart, open plan kitchen living area. The rear garden is a quiet paradise in which to relax and entertain under cover. The location could hardly be more convenient with Williamstown North train station within such easy reach along with primary and secondary schools and local shopping hub and you can scoot straight on down to the beach in the warmer months. Evaporative cooling, central heating, original Baltic pine flooring and double shed storage a few of the bonuses that come with this outstanding opportunity. This property is available immediately. For further information, or to make an appointment to view the property please call Jane on 0424 938 635.
