This beautifully presented family home is where special memories are made to last forever. Perfectly manicured gardens frame a striking Spanish villa inspired façade, leading inside to a warm and cozy interior with a split-level floorplan. Positioned on the high side of a tightly held quiet cul-de-sac, the kids will love to ride their bikes and parents will enjoy relaxing or entertaining in the resort-style backyard around a sparkling inground pool. What we love: * Unique split-level floorplan allows for cathedral ceilings throughout which create a sense of openness whilst maintaining a clever separation of living spaces * Living room features a large window filled with foliage and wood fireplace perfect for the winter months * Skylights brighten a chef's delight kitchen including Bosch appliances and huge island bench * Total of four bedrooms including a teenage retreat with ensuite perfect for in-law accommodation, home office or study * Two bathrooms; Main features charming federation style tiles and built-in-tub * Polished timber floors, air conditioning, ceiling fans, electric outdoor shutters throughout * Fully landscaped backyard with undercover deck and saltwater inground pool * Double drive through side-by-side garage perfect for storing a jet ski or trailer * Located just a short walk to both Revesby train station and Padstow train station * Generous 556m² block and 17.07m frontage - Duplex potential (S.T.C.A) We invite you to come and inspect this wonderful property.
