Seamless, peerless – the partnership between this exceptional home’s indoor and outdoor spaces works perfectly! While its ultimate alfresco dimensions define the rear of the design, the beauty begins at the front where a classical double fronted façade projects charming period personality behind a lovely, leafy garden and a broad verandah. The central hall’s polished floorboards and high ceilings are surrounded by four alluring bedrooms, including a main bedroom accompanied by a walk-in robe and an elegant ensuite, and a family bathroom featuring quality fittings and floating vanity. The luxury of the living/dining areas is reflected by its refined, relaxed feel – which is undeniably desirable – before a back wall of sliding glass doors reveals the decked, sky-lit and entirely undercover spaces beyond. This is the outdoor room concept at its most successful! A brilliantly appointed open-plan kitchen with a walk-in pantry is complemented by the backdrop’s barbeque kitchen to ensure everyday needs and entertaining occasions are both beautifully catered for in a home that guarantees a sensational lifestyle. Driveway parking, a double carport and low-maintenance landscaping put their touches to this stand out property walking distance from The Strand, shopping, restaurants, schools and public transport.
