This solid, renovated, four bedroom home is situated in the picturesque town of Batchelor, only 100km south of Darwin, NT. The residence is an original mine home, but has undergone a full renovation. The large block (1950sqm) is surrounded by beautiful leafy trees, establish tropical plants and citrus trees all irrigated and there is even a small shade house. An easy 20 minute drive to the many beautiful swimming holes and walking tracks in Litchfield National Park. The home has timber floors throughout, with four designated bedrooms all with built in robes and three with air conditioning. With an additional office fifth bedroom downstairs with air conditioning currently being utilised as a store room. The living room, opens out onto a veranda that allows for an additional area for outdoor living and entertaining. Beneath the house there is a large under cover concrete entertainment area, the fourth bedroom and second bathroom, the indoor laundry room and an additional lockable storage room plus the carport space and then there is the shed offering caravan and boat parking with its own gate to the street the shed also has enclosed workshop and storage. There is plenty of storage space in the built-in cupboards inside, and the bathroom has a deep bath with shower over.
