Welcome to a home tailored for family comfort and practical living. The spacious master suite with a modern ensuite and walk-in robe offers a private retreat, while the additional well-sized bedrooms, coupled with a joining playroom, provide a perfect space for children to grow and play. The cozy front lounge is a peaceful spot for family relaxation. The kitchen, ready for daily meals and occasional culinary adventures, extends to a large open plan living area and outdoor entertaining space, perfect for casual family get-togethers. Key sustainability features like a 6.6kw solar system installed in 2021 and a new reverse cycle air conditioning in 2022 ensure year-round comfort with reduced energy bills. Crimsafe screens throughout offer added security. Key Features:- Spacious master suite with modern ensuite and walk-in robe.- Well-sized additional bedrooms with adjoining playroom.- Large outdoor entertaining area for family gatherings.- 6.6kw solar system and reverse cycle air conditioning.- Crimsafe screens throughout for added security. This home is a wise choice for families, first home buyers or investors. To explore this opportunity, contact Sara Walker at 0450 022 808 for a viewing.
