When thinking about homes that were built in the late '60's - you think small rooms, outdated function and expensive re-fits. Well - not in this instance! Located on the sun capturing side of a quiet cul-de-sac in popular Wynyard is this immaculate family home which has been completely updated and remodelled from the ground up and everything in between. Features include but are not limited to: • Three large bedrooms, all with built in wardrobes • Wonderful main bathroom with separate bath and shower • Beautiful open plan living and dining areas capturing sun and light all day • Multiple living areas for casual entertaining or rest and relaxation • Brand new kitchen with stone bench tops and quality appliances including dishwasher • The hero of the home is the high end execution of the undercover northern deck straight off the dining room, ensuring entertaining is a breeze no matter the weather • Separate remote control a door garage and workshop • Plenty of off street parking for multiple vehicles • New flooring and window furnishings all throughout the home • Fresh street side appeal with the render and double glazed windows The list can go on with this much loved home where the owner and family have seen many a special gathering, all done with ease due to the foresight of the house proud owner. This home hasn't just been updated - but it has been improved upon in many areas. Don't delay - you just don't find them like this - turn the key and move in! *Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
