Definitely a feel of Olde England with this Georgian inspired home "The Cedars", set amongst superb cottage gardens. The home has been beautifully maintained with a large formal lounge and dining rooms, typical of its era. Another living area off the kitchen will give an alternative living space, perhaps settle down with a good book. The bedrooms are spacious and occupy the upper level. Quality drapes throughout the home are another highlight as is the gas ducted heating system."Cedar Lodge" is a separate fully self contained one bedroom unit, ideal for the extended family or the teenager. The gardens are quite superb and clearly a work of art. Glorious trees and mature plant life give a true feeling of tranquility. At only 5 minutes from Kings Meadow Mews and the same to Launceston CBD, you are genuinely spoilt with this location.
