This roomy brick home is situated in an appealing area on the east side of town and very handy to the high school. It has been recently refreshed internally including a new bathroom and is presently configured as four bedrooms. The property has plenty of off-street parking for a boat or caravan and offers a single garage with a carport as well. The home is well situated on the 1030m² block and has no close neighbours. Of extra special appeal is a large utility room above the garage - just ideal for the kids as a rumpus room with a separate shower and toilet at the rear of the garage. A great family home here.
