Across the road from Bermagui's golf course and with Beares Beach at the end of the street, this beautifully presented home sits amid attractive gardens and offers a lovely package for a coastal lifestyle amidst some of Bermagui's key features. Based on a timeless single level layout, and looking out into ornamental gardens through white plantation shutters (used throughout), the property has a comfortable, classic and quality feel. This is enhanced by an opulent designer kitchen, with limestone benches and an adjoining butler's pantry. All 3 bedrooms are a generous size and the bathroom matches the style and quality of the house. A single garage is located under the main roofline and beside it, a great section of privately fenced yard with its own street access. The property is also within an easy walk of the main street.
