Heritage character abounds in this two-bedroom, two-bathroom warehouse style conversion nestled within the historical Ammunitions Building. The building's original art deco style has been masterfully complemented with contemporary updates to create a luxury sanctuary with soaring, double height vaulted ceilings and sun-drenched interiors you'll love coming home to. Massive open plan living, dining and kitchen areas are dominated by stunning windows, with a bedroom, bathroom and laundry at the rear. A loft-style second living area, or home office, on the upper level can be converted to a third bedroom if desired, and leads to the second bedroom and bathroom. The stunning private courtyard overlooks gorgeous manicured gardens, and a lock up garage provides off-street parking.
