After a few minute drive from the township of Woodend, you arrive home to your own 5.5 acre farm. This country homestead is set in a landscaped garden celebrating Australian native flora with stunning views to Mount Macedon and neighbouring farmland. The solid brick veneer home provides functional family accommodation with three bedrooms, including master with walk in robe and large ensuite, an open plan kitchen and dining area with wood fire heating, plus a separate lounge room. Outside offers space galore for livestock, market gardening or merely just a peaceful place to roam. There is a garden shed/workshop, double carport/machinery shed, undercover entertaining area, horse shelters and three paddocks. The property is fully fenced with gates to the road. The garden has loads of native shrubs and trees and also hundreds of bulbs and many ornamental, deciduous trees such as sliver birch, liquid amber, various ash species, Japanese maple and weeping cherry. This is a genuine opportunity to experience life in the country without the sacrifice.
