\$570,000

This highset weatherboard home with colorbond roof would be ideal for first home buyers to enter the market or investors to add to their portfolio. Featuring high ceilings and polished timber floors throughout, four good sized bedrooms, the spacious lounge room is air conditioned along with a separate dining and funky, functional kitchen. The bathroom is modern and has more than enough space, being designed specifically for people with mobility issues. Under the home is fully concreted and allows for secure parking for one vehicle, loads of storage space, a second toilet and even comes with a bar to share a drink with mates. To the side of the home is a high clearance tandem carport, great to shelter extra vehicles or house the boat or caravan/camper. The rear yard is a treat with its outback theme and provides a covered entertainment area, fish pond with water feature, established gardens and veggie beds. Situated in a convenient location within walking distance to East Lismore Bowling Club, sports fields, schools, St Vincent's Private Hospital and Southern Cross University.
