Nestled at the end of a tranquil cul-de-sac, atop the hill, this distinctive A-frame residence offers breathtaking panoramic views of the distant mountain ranges...As you step inside, you'll be greeted by a living space which boasts grand cathedral ceilings with floor to ceiling windows that allow the natural light to flow throughout the home. The living area connected to the spacious deck by a sliding stacker door allows for seamless indoor to outdoor entertaining provisions as well as offering breathtaking views of the surrounding landscape from the whole home. Enjoy the peace and tranquillity of this secluded location, with no through traffic to disturb the serenity. Whether you're relaxing indoors or soaking in the stunning vistas from the deck, this home provides the perfect blend of comfort and natural beauty. With the master bedroom on the ground floor and the renovated bathroom adjacent providing simple and easy single floor living. To the upper level there are two more bedrooms for the extras in the household. All bedrooms have built-in wardrobes. These rooms could be utilised as sleeping quarters or your home office or sewing room just to name a few options...For year-round comfort there are split system reverse cycle air conditioners throughout. The kitchen is well equipped for even the most discerning chefs. Plenty of bench and cupboard space, a gas burner cooktop with rangehood and an electric oven with accompanying dishwasher. From top to bottom this property is neat as a pin. All major renovations have been taken care of, with upgrades to the retaining walls and landscaping to ensure that whoever the new custodians are can just move in and start living their best life. There is a large park for the kids just down the road and the home is a short drive to the Bundamba TAFE & Railway Station and only a short drive to Primary & Secondary Schools, shops and highway access to Brisbane or Toowoomba. With nothing currently available to purchase that even remotely compares to the uniqueness or seclusion that this offers; whilst still being just a stone's throw from all amenities, don't sit and wait around as properties like this rarely come to market. My team and I look forward to seeing you at this weekend's open home...Listing agent: Charles Kimmorley & Brady Chant NGU Real Estate Ripley – The Kimmorley Group
