A charming 1970s A-frame like something from a fairy tale... Privately backing onto the creek with a swing hanging from the stunning fig tree, a fire pit and plenty of spots to perch with a book under the dappled sunlight. Previously voted as one of the coast's top 10 Airbnb stays, this stunning property offers a renovated 3 bedroom / 2 bathroom sanctuary. With both quirky and bespoke design throughout, including the spiral staircase, custom cabinetry and micro cement finishes. The A-frame cottage is undoubtedly appealing but it's the backyard that will have your attention with its natural beauty and abundance of wildlife. Located on Poplar Avenue, which has long been a local favourite just a short stroll to all Cabarita Beach has to offer! Truly one of the most unique homes in the Cabarita Beach area.
