Positioned on top a hill in beautiful Moregatta this is your opportunity to enjoy the benefits of rural life with out the work that comes with a farm. The breathtaking 360 degree views showcase the beautiful rolling hills and surrounding farm land. The home itself is a solid construction and low maintenance with block both externally as well as internal walls. Double garage offers secure parking and storage. Living and dining areas are well sized and large windows throughout the home allow light to fill the rooms. Kitchen is positioned well to maximise the view out over kitchen sink and plenty of storage is available. Large laundry is ideal for the whole family and additional room could be used for home office, play room or extra bedroom. All bedrooms are well sized and two feature built in robes. Spacious bathroom offers walk in shower and large vanity. Toilet is separate for convenience. Water source is entirely rain tanks and a pump ensures good water pressure. A paddock is located at the rear of the property with enough room for a couple of head of cattle - the perfect place to enjoy your hobby farm.
